

2009 Wisconsin Act 96 Indoor Environmental Quality Management Plan Ellsworth School District Annual Notice

The Ellsworth School District would like to inform staff, students, parents, and the public of the district's indoor environmental quality (IEQ) management plan. The plan was initially developed in 2013 and is reviewed as necessary. The plan was developed as deemed appropriate for the district. Questions and concerns should be directed to the IEQ Coordinator. Copies of the plan are available at the district office for a fee. The district office is located at Ellsworth School District, 300 Hillcrest Street, Ellsworth, WI 54011.
