COURSES FOR STUDENTS FINISHING NINTH, TENTH, AND ELEVENTH GRADES				Number your choices
Please choose 3 sections if you will be riding the bus and if you are attending all morning.				
Course Name	Course Description		Fees	
Advanced Baseball Hitting	This course is designed to teach advanced hitting and base running skills needed to prepare players to compete at a higher level. Students will take a bus to Bob Young Field to utilize the various hitting equipment - including batting cages, curve ball machine, fastball/change-up machine, video analysis and our ZEPP hitting tool - daily at Bob Young Field (weather permitting). This program will teach each athlete what they need to know to be successful on the baseball field in the batter's box. Limit: 20 students.			
Weight Training	Students and student athletes in grades 7 th -12 th grade will learn proper weight lifting techniques, aerobic and anaerobic exercises, and muscle confusion and program differentiation. The weight room will also be available for any athletes who would like to come in during the day and work out between 6am-12pm.			
MS/HS Wrestling	We will work technique and live wrestle. Limit: 50 students.			
Clay and Sculpture	This art class will focus on the use of clay to create sculptures and basic clay forms. Several construction techniques will be used such as pinch, slab, coil and drape forms. The students will also glaze their art forms. Other sculpture mediums and techniques will be explored as time allows. Limit: 18 students.		\$5	
ART Journaling 101	Your Daily dose of Design, Drawing and Doodling. Students will be working on the visual journaling process in their own sketchbook, which will be provided. Each day the students will explore new ideas for their journal. Ideas such as drawing, painting, collage, mapping of ideas, illustrating, and writing will be explored using a variety of techniques and mediums. Limit: 18 students.		\$10	
Making the Mural	Participate in the creation of making a clay mosaic mural. The mural will be for the outside wall of the Ellsworth Klaas-Jonas pool. The students will be designing, making, and glazing clay tiles. They will learn the drying and firing process of clay. The students will also have the opportunity to create a relief tile of their own design to take with them. This class can be used as service learning hours for high school graduation requirements – grades 9-12. Limit: 18 students.		\$5	
Babysitting Basics	Be certified to be a babysitter through the Red Cross. In this course you will learn water safety, basic aid training, first aid for children, family caregiving, first aid and preparedness, as well as safely setting up a babysitting business. The course cost is \$25 which includes training materials and Red Cross certification. Limit: 12 students.		\$25	
Knitting Advanced and Advanced Plus	This class is offered to the students who have taken the Knitting Basic class or Advanced Knitting. We will be working on knitting in the round to knit a hat. For the Advance Plus class you will learn new stitches to help make more complex projects (possibly hat, scarf, mittens). Please bring with you your knitting bag, binder and needles from the Knitting Basics class. Students will take home at the end of the weeks: knitting needles, projects made and left over yarn. Limit: 25 students.		\$8
