Mentor: Scan and send / share this doc with mentor coordinator (Lisa or Jason) at the end of

Coaches are expected to attend all meetings. They are expected to arrange for coverage.

New teachers to Ellsworth need to have 2 peer observations (be observed by 2 peers) during the 1st 3 quarters of the school year and receive those observations in writing. They will write a reaction/summary/take away from those 2 observations and schedule a time to meet with Mr. Stoesz to review.
