# Panther Employment Services

We offer many different types of services right at the high school. Students receive much needed-work experience through the jobs that are requested by the community. Here are just a few under Panther Employment Services.

## Panther Pride—vehicle detailing service

A group of trained students can detail your vehicle within a :90 block time, and they call it school. These students have detailed many vehicles in the last few years and saying “no” is not in this groups vocabulary. Whether it’s a small car or a semi cab, they’ll clean it! This is a “donations appreciated” program available several times a week. Please call 715-273-3911 to make an appointment.

## Panther Press—laminating

Need something laminated? Maybe you have a business and need several items laminated, no problem. Let our students and our machine handle this for you. Prices vary but are very reasonable, to us it’s more about the work-experience than the money. Please call 715-273-3911 to ask about our laminating service.

## Panther Power—laser engraving

This is another cool service, laser engraving. We have engraved, pens, pencils, wood signs, drumsticks, carabiners, trophy plates, glasses, cameras and even a pair of jeans. If you have something you’d like engraved, just call 715-273-3911, ask and we’ll find a way. We can serve personal jobs or business jobs. Due to so many different items and computer set up time, prices do vary but can guarantee the cost is low and again, the experience the students receive is priceless.

## Panther Park—greenhouse

Get your flowers, pumpkins and Christmas wreaths through Panther Park.

## Panther Pets—dog care service

Secretly the P.E.S. favorite! This group of students team up with the food service class and make homemade dog treats called Woof Wafers. They also walk dogs in their “spare” time getting exercise for themselves and the dogs. If you have a dog at home all day and live in the Ellsworth area, we’d love to set up a free consultation with you. Please call 715-273-3911 to make an appointment.
