

ELLSWORTH H.S. LOCAL SCHOLARSHIPS

EHS seniors may pick up the local scholarships that they are eligible for. Applications can be used for both 4 year colleges and technical colleges unless it specifically states one or the other. Applications for these scholarships are available either in the EHS Counseling office or on the EHS Counseling Website. **The Common Application for several of the local EHS scholarships can be found on the Ellsworth High School website. Once on the website look under the “Ellsworth High School” under Schools. Find “High School Counseling Office” and click on it. Once you are on the Counseling webpage you can click on “Scholarship Resources” which will show the “List of Local Ellsworth Scholarships” and/or “Common Scholarship Application.” Most of the scholarships are due MARCH 21, 2018, however please check carefully for other due dates!!** For more information contact the EHS school counselors at 273-3904.

***if no eligibility criteria are listed after the scholarship name then anyone is eligible to apply.**

Hints for completing scholarship applications

*When completing the scholarship applications either type them out or print them neatly. Scholarship committees have a difficult time reading applications that are written out quickly and look sloppy.

*Use the on-line “common application” for many of the local scholarships. This one application allows you to apply to several scholarships with the one form. This can be found on the EHS website under High School Counseling office.

*You will find many of these scholarships are similar in the questions that they ask. **It is a good idea to type up an “Activities, Honors, Offices, Accomplishments” resume.** This looks great to the scholarship committee plus it saves you time by not repeating the same questions several times on different scholarship applications. Refer to the scholarship applications to see what you should all include on the sheet.

*Read carefully what the application asks for. If the application states specifically that it wants a “handwritten essay” then make sure that is what you do.

*We appreciate the thought when students put their applications into individual folders or envelopes, however we end up taking them out and throwing the envelopes away. Please save your money and don't submit them in envelopes or folders!

TIP Grant:

EHS seniors that typically would be eligible to apply for a TIP grant would be seniors that receive free/reduced lunch. If your child is planning to attend a 1, 2, or 4 year college in the Fall of 2017 in the state of Wisconsin they should definitely apply for this \$1,800 scholarship with the financial aid office of the college they are planning on attending.
