Community Volunteer Program
This program allows volunteers to directly participate in the education of our students or operation of our schools. It is a great opportunity to share their talents with our children and staff while increasing the resources available to our students, staff, the District as a whole, or another nonprofit organization. In exchange for work completed, volunteers will receive a specified payment up to a maximum of $500 annually. **How does a person join the program or find out more about it?** Any volunteer interested in joining the Community Volunteer Program can call the Ellsworth School District Office at (715) 273-3900 to get the necessary information and forms. More information, the program handbook and forms are posted on our school district website at [www.ellsworth.k12.wi.us](http://www.ellsworth.k12.wi.us). Or call the Ellsworth School District Office at 715-273-3900 for more information or to get an application and a background check form. You will also need to complete an interview and get a physical paid by the district where deemed necessary due to the nature of the activity.

**HUNTER SAFETY COURSES**

Sponsored by the Wisconsin DNR. Course certification is required by anyone born after January 1, 1973, to purchase a hunting license and is transferable to other states. Parent or legal guardian must **without exception** accompany minors to registration the first night. Course will consist of 14 hours of lectures, demonstrations, guest speakers, videos and range work. Students will be required to satisfactorily complete a workbook, field test and written test before they are certified. Successful graduates will receive a free small game license for the year following their certification. Students with special needs, please contact instructor two weeks before the course. Parents and adults are welcome to take this class.

**2019 Spring Hunter Safety class options are:**

Ellsworth Fire District South Station located at the Red Wing Airport – W7138 148th Ave, Bay City WI

**Starting** Feb. 26th at 6:30 p.m. Instructor Doug Sjostrom 715-448-2517

Sign up in advance by going to: https://gowild.wi.gov/

Cost: $10.00 **payable to instructor on first night** **Note:** Parent or legal guardian is **REQUIRED** to be there for registration on the first night! You can now register on-line. Go to the DNR Website and to Education, then select Hunter, then select Pierce County. A parent is still required to show up the first night.
The Tractor Safety course for 2019 in Pierce County will be offered this spring for youths 13-15 years of age. The Federal Child Labor Law, established in 1970 states that a person under the age of 16 cannot be employed for driving a tractor on farms not operated by their parents or guardians until they have completed a tractor safety course and become certified. Participants must be 14 years of age to receive this federal certification. Thirteen year olds who enroll will receive certification on their fourteenth birthday.

Wisconsin Act 455 prohibits any child under the age of 16 to operate a farm tractor or self-propelled implement of husbandry on the highway unless the child had completed tractor safety certification. Wisconsin Act 178 establishes a **minimum age limit of 12 to enroll** for this type of certification. The class has hour requirements to follow. All class sessions are set to meet the requirements to lead to certification. The **students must attend all classes and pass the course to receive certification**.

The course teaches youth about tractors and farm machinery. They learn how to operate the machines safely. They also learn about safety features connected with operation and use of machines. The course includes classroom and practical instruction and the youth are tested on knowledge and operation of a tractor. Students who enroll are required to have a Social Security number before they can be certified. Application forms for Social Security numbers are available at banks and post office.
