

# 3rd Grade Summer School Classes

**¡Ven a hacer nuevos amigos! Come and make new friends!:** In this class you will learn basic Spanish language and phrases that you can use when you meet someone who speaks Spanish. You will learn Spanish through games, music, stories, and arts & crafts, inside and outside of the classroom.

**Basketball:** Calling all ball players to lace up your shoes and join us on the court! Do you have some experience playing ball? Have you thought about playing but haven't had the chance? Well, now is the time to brush up on your skills. We'll continue to build on the fundamentals of basketball and spend time enhancing those skills. (Offered 1st and 2nd Session)

**Beginning Scrapbooking:** Come explore the world of paper crafting. In this class we will be learning how to use basic scrapbooking tools to create one of a kind scrapbooks, wall decorations, and cards. Students will have the opportunity to learn how to use the Cricut cutting machine, paper punches, and paper cutters. The \$10 fee will cover tape runners, paper, paper craft supplies, and some embellishments (stickers). Students will need to bring their own pictures (enough for three weeks) and a scrapbook. Fee: \$10 (Offered 2nd and 3rd Session)

**Building with Legos:** Come and build with Legos. Children will be encouraged to be creative and engaged during this course. We will do a lot of activities that will encourage and inspire students to explore and create.

**Camping Extravaganza:** Come and enjoy some summer fun in "Camping Extravaganza!" We will be exploring camping books, STEM activities, writing projects and more! Students will spend time playing outdoor games and doing some fantastic outdoor experiments! Once per week, students will make a fun camping snack. The only requirement for this class is to come to class ready to enjoy camping and the great outdoors! Fee: \$5

**Dancing in Style:** Students will discover the "Joy" of dance! Be prepared to have fun while dancing! (Offered 3rd Session only)

**Explore the Ocean:** Come and explore the ocean! We will learn about the many different sea creatures and explore the different oceans throughout our three weeks together. We will do lots of activities that will help us understand the ocean and how it is different than the lakes and rivers we have here in Wisconsin. During "Explore the Ocean" we will; dig for shells, do shell art, examine waves, see the problems with pollution, discover which

critters eat which critters, examine special traits that some ocean dwellers have to help them live. Fee: \$5

**Explore the World:** Come and explore the world through arts and crafts! We will learn about different countries around the world: Japan, China, Germany, Egypt, Mexico, etc. We will do arts and crafts to go along with each country. Some of the projects include making a yarn sheep, designing a T-shirt, working with clay, and painting. Fee: \$10

**Game It Up:** Are you competitive? Come and play a variety of outdoor and indoor games such as disc golf, disc bonk, bean bag toss, horseshoes, bocce ball, can-jam, monopoly, uno, card games and checkers/chess. Wear athletic gear and be prepared to go outside when it is nice out. (Offered 1st and 2nd Session)

**Knitting Basics:** This class will teach students different styles and techniques for knitting. The first week would be designated to finger knitting, second and third weeks designated to knitting with needles. Students will take home at the end of the weeks: knitting needles, projects made and left over yarn. Fee: \$10 (Offered 1st and 2nd Session)

**Physical Education: Sandlot Baseball:** This course is designed to teach students the love for the game of baseball. Students enrolled in this class will play games like flip, pepper, gold glove, hot box and more. While developing the love for game of baseball, we will also focus on developing skills such as base running, hitting, fielding, throwing. No fee is required for this class, but players must have a glove and athletic apparel. (Offered 3rd Session only)

**Playing Guitar:** Ever dream of playing? Well, here you'll learn! If you have a guitar of your own feel free to bring it in otherwise a guitar will be provided! This class is for absolute beginners but those with prior knowledge are welcome as well!

**Recorder! Recorder! Recorder!:** Students in this course will get a chance to practice recorder in a more advanced setting! If you want to become an awesome recorder player, join us! Bring your recorder! (Offered 3rd Session only)

**Secret Spy School:** In this class we will be doing fun spy-themed activities and games. We will be breaking codes, taking fingerprints, and solving a secret case or two! We will be working together to solve some fun secrets over the three weeks! (Offered 3rd Session only)

**Show Choir:** Do you like dancing? Do you like singing? If you mix them both together, you have a show choir! Come join us as we have a blast learning fun pop songs and dances!! (Offered 1st and 2nd Session)

**Simple Sewing & Crafts for Kids:** Come and learn basic and simple hand stitching sewing techniques that will help you construct a variety of projects each week. We will also learn simple craft skills to construct various projects as time allows. Fee: \$10

**Soccer:** Sign up and learn about SOCCER in a fun and safe environment. In the class, you will learn eye/foot and eye/hand coordination, following directions, listening skills, motor skills, balance, and teamwork. There are two age groups, so students will be learning with students within their peer group. Students will work on individual skills such as dribbling, passing, receiving the ball, defensive moves, throw-ins, goalie and etc. Each class is broken up into 3 different segments: individual skills, small group games/activities, and a large group scrimmage/soccer related game. (Offered 1st Session only)

**STEM, Robotics and Coding:** Do you love computers? Do you want to learn how to code and make your own video games? Are robotics something that you are interested in learning more about? This is the class for you. We will use Tynker to learn coding and make robots follow our directions. We will have fun as we explore how to dive deeper into what technology can do for you! (Offered 2nd Session only)

**Swimming Lessons (Levels 1-6):** Make sure and bring a swimsuit and towel every day. Fee: \$5

**The Land Down Under:** Welcome to "The Land Down Under!" Students in this course will have the unique opportunity to discover the enchanting country of Australia! Get ready to learn all about Australia's land, animals, culture, food, famous landmarks, games, history, and so much more! In this class you will also create Aboriginal art as well as taste awesome Aussie barbecue! Fee: \$5 (Offered 1st Session Only)

**Youth Wrestling:** Whether you are a seasoned wrestler or just want to try the sport out, this is the class for you! Held in the High School wrestling room, we will learn the sport of wrestling and play a lot of games like Dodgeball! (Offered 1st and 2nd Session)
