

5th Grade Summer School Classes

¡Ven a hacer nuevos amigos! Come and make new friends! In this class you will learn basic Spanish language and phrases that you can use when you meet someone who speaks Spanish. You will learn Spanish through games, music, stories, and arts & crafts, inside and outside of the classroom.

Advanced Scrapbooking: This class is designed for students who have taken basic scrapbooking or know how to operate the Cricut cutting system and scrapbooking cutters. We will learn how to make layered embellishments, titles, and pages to create more elaborate scrapbook pages, cards, and paper crafts. The fee will cover the tape runners, paper, and paper crafting supplies. We will also have the Cricut cutting systems, punches, and paper cutters. Students will need to bring their own pictures (enough for 3 weeks) and a scrapbook. Fee: \$10 (Offered 1st Session only)

Archery: Participants will have the opportunity to explore the benefits of archery and build their skills under the supervision of a staff of archery professionals. Come achieve fantastic results all while having fun! Fee: \$4

Babysitting Basics: Do you like kids? Do you like money? Combine the two and be a babysitter! The American Red Cross is the nation's leader in babysitting classes and child care training – and will prepare you to become one of the most capable, trusted and in-demand sitters in your neighborhood. In fact, 8 in 10 surveyed parents said they would pay more for a trained babysitter who holds Red Cross babysitting certifications. Start your babysitting business on the right foot and learn how to be a safe, professional and reliable sitter. With online and classroom options for all ages, The American Red Cross offers child care training that's not only convenient, but valuable to you and the families you care for. Fee: \$25

Basketball: Calling all ball players to lace up your shoes and join us on the court! Do you have some experience playing ball? Have you thought about playing but haven't had the chance? Well, now is the time to brush up on your skills. We'll continue to build on the fundamentals of basketball and spend time enhancing those skills. (Offered 1st and 2nd Session)

Beginning Scrapbooking: Come explore the world of paper crafting. In this class we will be learning how to use basic scrapbooking tools to create one of a kind scrapbooks, wall decorations, and cards. Students will have the opportunity to learn how to use the Cricut cutting machine, paper punches, and paper cutters. The fee will cover tape runners, paper, paper craft supplies, and some embellishments (stickers). Students will need to bring their own pictures (enough for three weeks) and a scrapbook. Fee: \$10 (Offered 2nd and 3rd Session)

Building with Legos: Come and build with Legos. Children will be encouraged to be creative and engaged during this course. We will do a lot of activities that will encourage and inspire students to explore and create.

Camping Extravaganza: Come and enjoy some summer fun in "Camping Extravaganza!" We will be exploring camping books, STEM activities, writing projects and more! Students will spend time playing outdoor games and doing some fantastic outdoor

experiments! Once per week, students will make a fun camping snack. The only requirement for this class is to come to class ready to enjoy camping and the great outdoors! Fee: \$5

Computers: Students will learn basic keyboarding skills and the basics of Microsoft Publisher. Students will enjoy educational games such as NitroType and using the Smart Board. Also we will be creating a Movie in regards to the activities at Summer School.

Dancing in Style: Students will discover the "Joy" of dance! Be prepared to have fun while dancing! (Offered 3rd Session only)

Football: If you like playing football, this is the class for you. In this class students will do some fundamental drills to help improve their skills. However, the majority of the class consists of playing flag football. (Offered 2nd Session only)

Fun, Food, and Friends: A class designed for 4th and 5th grade students to learn beginning kitchen and cooking skills. We learn to make healthy snacks and mixtures like playdough and gak while using the stovetop, oven and small appliances such as blenders and ice cream balls. You will learn inside and outside games all while having fun with friends! Fee: \$10

Game It Up: Are you competitive? Come and play a variety of outdoor and indoor games such as disc golf, disc bonk, bean bag toss, horseshoes, bocce ball, can-jam, monopoly, uno, card games and checkers/chess. Wear athletic gear and be prepared to go outside when it is nice out. (Offered 1st and 2nd Session)

Gizmos and Gadgets to Explore Physics and Chemistry: Students in this class will use the scientific method and the engineering design process to design and build devices to launch and throw objects in the spirit of Newton's Laws. They will also design and build bridges using different materials in a competition format to see which design will hold the most weight. Fee: \$10

Knitting Advanced and Advanced Plus: This class is offered to the students who have taken my Knitting Basic class or Advanced Knitting last year. We will be working on knitting in the round and learning a new stitch, the purl stitch. We will be working on learning how to knit a hat. If you already took Advanced Knitting we will be working on more complex patterns. Please bring with you your knitting bag, binder and needles from the Knitting Basics class. Students will take home at the end of the weeks: knitting needles, projects made and left over yarn. Fee: \$10 (Offered 3rd Session only)

Knitting Basics: This class will teach students different styles and techniques for knitting. The first week would be designated to finger knitting, second and third weeks designated to knitting with needles. Students will take home at the end of the weeks: knitting needles, projects made and left over yarn. Fee: \$10 (Offered 1st and 2nd Session)

Physical Education: Sandlot Baseball: This course is designed to teach students the love for the game of baseball. Students enrolled in this class will play games like flip, pepper, gold glove, hot box and more. While developing the love for game of baseball, we will also focus on developing skills such as base

running, hitting, fielding, throwing. No fee is required for this class, but players must have a glove and athletic apparel. (Offered 2nd Session only)

Playing Guitar: Ever dream of playing? Well, here you'll learn! If you have a guitar of your own feel free to bring it in otherwise a guitar will be provided! This class is for absolute beginners but those with prior knowledge are welcome as well!

Recorder! Recorder! Recorder! Students in this course will get a chance to practice recorder in a more advanced setting! If you want to become an awesome recorder player, join us! Bring your recorder! (Offered 3rd Session only)

Secret Spy School: In this class we will be doing fun spy-themed activities and games. We will be breaking codes, taking fingerprints, and solving a secret case or two! We will be working together to solve some fun secrets over the three weeks! (Offered 3rd Session only)

Show Choir: Do you like dancing? Do you like singing? If you mix them both together, you have a show choir! Come join us as we have a blast learning fun pop songs and dances!! (Offered 1st and 2nd Session)

Simple Sewing & Crafts for Kids: Come and learn basic and simple hand stitching sewing techniques that will help you construct a variety of projects each week. We will also learn simple craft skills to construct various projects as time allows. Fee: \$10

Soccer: Sign up and learn about SOCCER in a fun and safe environment. In the class, you will learn eye/foot and eye/hand coordination, following directions, listening skills, motor skills, balance, and teamwork. There are two age groups, so students will be learning with students within their peer group. Students will work on individual skills such as dribbling, passing, receiving the ball, defensive moves, throw-ins, goalie and etc. Each class is broken up into 3 different segments: individual skills, small group games/activities, and a large group scrimmage/soccer related game. (Offered 3 Session only)

STEM, Robotics and Coding: Do you love computers? Do you want to learn how to code and make your own video games? Are robotics something that you are interested in learning more about? This is the class for you. We will use Tynker to learn coding and make robots follow our directions. We will have fun as we explore how to dive deeper into what technology can do for you! (Offered 1st Session only)

Swimming Lessons (Levels 1-6): Make sure and bring a swimsuit and towel every day. Fee: \$5

The Land Down Under: Welcome to "The Land Down Under!" Students in this course will have the unique opportunity to discover the enchanting country of Australia! Get ready to learn all about Australia's land, animals, culture, food, famous landmarks, games, history, and so much more! In this class you will also create Aboriginal art as well as taste awesome Aussie barbecue! Fee: \$5 (Offered 1st Session only)

Youth Wrestling: Whether you are a seasoned wrestler or just want to try the sport out, this is the class for you! Held in the High School wrestling room, we will learn the sport of wrestling and play a lot of games like Dodgeball!
