Dear Parents/Guardians of Incoming 4K Students:

Hi, my name is Bridget Nelson. I am the District Nurse here in Ellsworth. As you are getting ready to send your child to 4 Year Old Kindergarten please remember we do have immunization requirements that are directed by the state of Wisconsin. I have attached the requirements and I have also attached a student immunization record for you to complete. If you do not know the dates of vaccinations please contact your doctor's office and the doctor's office will be able to get you the immunization list.

Please return the completed student immunization record. Please note Step 4 on the immunization record is for parent/guardian to sign a waiver for any immunizations your child will not be receiving due to health reasons, religious reasons, or personal conviction reasons (personal choices).

If your child is still in need of vaccinations we encourage you to get the vaccinations done well before school starts to avoid the late summer rush at the doctor's office or the Health Department.

To get vaccinations please call your child's health care provider to set up appointments or Pierce County Health Department at 715-273-6755.

We are excited to have your child starting school with us! Please contact me if you have any further questions.

Sincerely,

Bridget Nelson, RN  
School District Nurse
