*Registering a Checking Account Payment Method*

Enter all required Billing Information as well as the checking account's **Routing Number** and **Account Number**. Once information has been entered, select the **Save** button. Users will be directed to a confirmation screen.

Carefully read and determine if all displayed information is correct. If so, select the **Save** button. The payment method is now saved within Infinite Campus and can now be used to make transactions. If information is incorrect, select the **Back** button. Users will be redirected back to the previous page, allowing for information to be adjusted.

## Registering Savings Information

Users have the ability to register and make payments via a savings account. To begin the registration process, select the **Savings** radio button.

The screenshot shows a web form titled "Add Payment Method" with a close button (X) in the top right corner. The form is divided into sections: "Billing Information" and "Account Type". Under "Billing Information", there are fields for Name (Robert Parent), Address (4321 109th Ave NE), City (Any Town), and State / Zip (MN / 55449). Under "Account Type", there are three radio buttons: "Checking", "Savings" (which is selected and highlighted with a red box), and "Credit/Debit Card". Below the radio buttons are fields for "Routing Number" (075900575) and "Account Number" (123456789). At the bottom of the form are two buttons: "Back to Payments" and "Save".

### *Registering a Savings Account Payment Method*

Enter all required Billing Information as well as the saving account's **Routing Number** and **Account Number**. Once information has been entered, select the **Save** button. Users will be directed to a confirmation screen.

Carefully read and determine if all displayed information is correct. If so, select the **Save** button. The payment method is now saved within Infinite Campus and can now be used to make transactions. If information is incorrect, select the **Back** button. Users will be redirected back to the previous page, allowing for information to be adjusted.

## Registering Credit Card Information

Users have the ability to register and make payments via a major credit/debit card. To begin the registration process, select the **Credit/Debit Card** radio button.

### *Registering a Credit Card Payment Method*

Enter all required Billing Information as well as the **Card Number**, **Expiration Date** and **Name of Cardholder**. If the **Card Number** is incorrect, the field will highlight in red and a red exclamation point will appear. Selecting the red exclamation point will generate a separate window describing the error that has occurred.

Once correct information has been entered, select the **Save** icon. The credit card is now established and may be used for transactions.

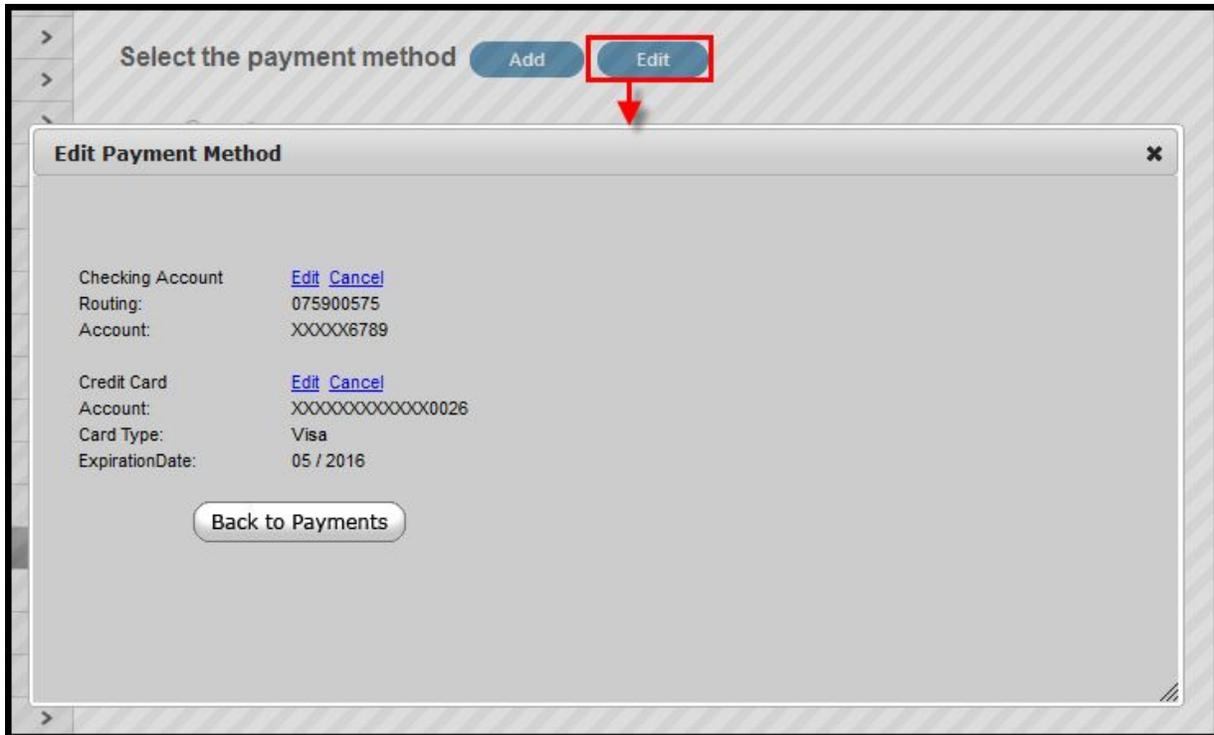

## Modifying Payment Information

**PATH:** *Portal > Payments*

Users have the ability to modify registered payment methods by selecting the **Edit** button.

You should only use the Edit button to update information for the same payment method; in other words, the account number is not changing. For example, you can edit the payment method to update the billing address or expiration date for a credit card.

\*If the payment method is being completely replaced to use a completely different credit card or bank account, delete the existing payment method and add a new payment method.\*

#### *Modifying a Registered Payment Method*

Once selected, users are directed to a new screen displaying all registered payment methods. To edit a payment method, select the corresponding **Edit** button. Make the required adjustments and click the **Save** button.

From this same location, entered payment information can be deleted. To delete a saved payment method, click the **Cancel** link. The confirmation screen displays. To continue with removal of this payment method, click the **Cancel** button. Then, click the **Edit Accounts** button to return to the list of stored payment options or click the **Back to Payments** button.
