

Ellsworth Elementary School Panther Kids Club Information

Please review the drop off location for PKC below. Please plan to walk your child to the PKC entrance. PKC staff will meet you at the door (this is a locked entrance) and log in your child's start time. Parents are responsible for ensuring their child is securely in the building before leaving.

PKC students that eat breakfast will start at 7:20 a.m. All PKC students go outside at 7:45 a.m. The end time for parents being charged for PKC is 7:45 a.m.

Please review the no school and late start winter weather information on the reverse side of this sheet.

Panther Kids Club staff will be available at the January 4th parent conferences to answer any questions you have or contact lead PKC staff or a building principal.
