

# PKC Hours for Severe Weather

## Snow Day:

- If school is canceled the night before or prior to 6:00 AM, there will be no PKC.
- If school is canceled after PKC is open and children have already arrived, care will be given for those children until they are picked up. Follow the early dismissal directions.
- Parents will receive a phone call letting them know that school has been cancelled and to make arrangement for their child(ren) to be picked up.

## Late Start:

- If a late start is called the night before or prior to 6:00 AM, there will be no PKC.
- If a late start is called after 6:00 AM, we will be open.
- If school is canceled after PKC is open and children have already arrived, care will be given for those children until they are picked up. Follow the early dismissal directions.
- If a late start is called due to weather, morning 4-year-old Kindergarten will be canceled, however, Preschool Wrap Care is available to all registered Wrap Care children during the hours K-12 are in school. Children may ride the bus to school for Preschool Wrap Care, but please contact the bus garage if they are the only child at their bus stop as the bus driver otherwise may not anticipate picking them up since there is no morning 4YK.
- Please follow the “MESSENGER NOW” message, listen to the Radio or TV, or go to the district website [www.ellsworth.k12.wi.us](http://www.ellsworth.k12.wi.us) for current status.

## Early Dismissal:

- If school is dismissed early due to weather, parents need to make arrangements for their children to be picked up from PKC as soon as possible. PKC will remain open until all children are picked up.
