Marlee May Memorial Scholarship Application

Marlee May Erlandson was a fun-loving, bright and adorable toddler, who, at two years old, was diagnosed with a rare form of cancer called Alveolar Rhabdomyosarcoma. Marlee fought a courageous battle through chemotherapy, radiation, and countless trips to the doctor, before going to Heaven just nine months later on February 23rd, 2018.

Although her time here was short, she made an impact on thousands of people.

Our goal is to keep Marlee's legacy alive through people like you; Young adults, with the world at their fingertips, who have every opportunity to go out and make a POSITIVE impact in the world.
