5 Ways To Earn College Credit

1. Transcribed Credit and Advanced Standing
2. Advanced Placement
3. Project Lead the Way Classes
4. Early College Credit Program (ECCP) and Start College Now
5. Academies

EHS Classes Earning College Credit

Transcribed Credit Classes:

Computer 1 & Multimedia
Child Care Assistant
Plant Science
Horse, Dairy, & Livestock
Advanced Accounting
Personal Finance
Webpage Design
Medical Terminology
Entrepreneurship
Parenting
Sales & Marketing & Advertising and Design

Advanced Standing Classes:

Math for the Trades (starting 18-19)

Transcribed Credit - Direct credit from CVTC. Upon successful completion, grades are posted to an official transcript from the college and tabulated into your college GPA. Generally transferable to other colleges.

Advanced Standing - Credit is delayed until you apply to CVTC or another technical school in WI. You can earn the credit, but the grade does not apply to your college GPA. Must earn a B or better.

Advanced Placement Classes

- AP Composition, AP Literature, AP Calculus, AP Statistics, AP Biology, AP Art, & AP US History
- Request from the College Board where to have scores sent
- COLLEGE CREDIT NOT A PART OF HS TRANSCRIPT but student does earn an additional 0.05 bonus added to high school GPA
- Earn a 3, 4, or 5 (out of 5) on the final AP test in order to receive AP credit from college (Tests \$94, options if financial hardship)
- Saves time and money
- Can search credit acceptance and scores needed at apstudent.collegeboard.org (under AP Credit Policy Search)

Project Lead the Way Classes

- Introduction to Engineering Design (IED), Principles of Engineering (POE), Digital Electronics (DE), Computer Science & Software Engineering, and Engineering Design and Development (EDD)
- Four courses max for college credit
- All classes run based on enrollment
- If scores meet requirements, college credits may be granted through the Milwaukee School of Engineering
- Student needs to complete paperwork with the teacher while taking the class

Early College Credit Program (ECCP) and Start College Now

- ECCP open to 9th-12th; Start College Now open to 11th-12th
- Mar. 1st for summer/fall 2019 classes; Oct. 1st for spring 2020 classes
- Can't graduate early and take spring semester college classes
- UW-RF (Fall, Spring, Summer sessions), CVTC & WITC (Fall & Spring sessions)
- Classes that are not provided here at school, student needs to register with the college
- Must be 80% different than what EHS offers
- Students pay for transportation and parking fees
- Families are responsible for the cost if the student drops the class after it starts or they receive an F

WI Global Scholars Certificate

- Optional for Students
- Become a Global Scholar by successfully completing a global education curriculum and engaging in cocurricular activities and experiences that foster the development of global competencies
- Added to transcript
- Contact Mrs. Stoesz or the Counseling Office for more information

Three Components for Students:

1. **Complete Specific Coursework**
 - All 4 years of Spanish (4 credits)
 - At least 4 credits of coursework with a global focus (see counseling office for list of approved courses)
2. **Projects/Activities**
 - Cultural Literacy
 - Co-Curricular and Other School-Sponsored Activities
 - Community Service
3. **Capstone/Portfolio**

Academies

Welding Academy - Credits earned through this academy may be applied to CVTC's Welding programs. By completing all four courses students will earn a Wire Feed Welding Certificate (Intro to GMAW) and 9 college credits.

Construction Academy - Students learn basic components of the residential construction, can earn up to 7 credits. Students will have the chance to gain practical jobsite experience by working with local contractors through EHS Youth Apprenticeship program.

CNA Academy - For students interested in pursuing a career in healthcare. Credits successfully earned through this academy may be applied to CVTC programs and transfer to other universities. By completing this course, students will have the credentials to work as a Certified Nursing Assistant (CNA) and will earn 3 college credits.

**Summer Academies available for Construction and CNA

School Work Experience

- Take *Learn to Earn* class 4th quarter of junior year
- Please register if student is thinking of doing work study
- Can be released from school to work and earn credit during senior year
- Most students leave after Excel and are working during 4th block

NCAA Eligibility Center

- Athletics for Division 1 or 2 College after HS
- Students should register their Junior year - \$70 fee
- Counselor will work with the student to make sure they are meeting all of the requirements for either division
- Some of our classes are not accepted by NCAA (i.e Intro to Theater, Career Comm)

Reality Check

- Winter of Junior Year
- The Reality Check Event is an exciting program that provides Juniors with a comprehensive personal finance and life skills education
- The event is designed to simulate one month in the life of a mid-20 year old
- Supported by more than 120 volunteers and generous in-kind donations from community partners.
